PROFESSIONAL EXPERIENCE

Freelance Video Editor – Kuku FM

February 2025 (1 Month) | Remote, India

Completed my first paid freelance video editing project, managing the end-to-end editing workflow using Adobe Premiere Pro and Adobe After Effects. Delivered polished videos while delivering high-quality work on time . This role marked the beginning of my professional editing career and strengthened my post-production workflow and client communication skills.

Video Editor – Orange Technologies (Remote)

20 January 2026 – 17 February 2026

Created and edited videos, reels, and advertising creatives using professional editing tools while meeting project deadlines and quality standards. Collaborated with the creative team to produce engaging content for marketing campaigns. Left the role due to academic commitments.

Video Editing Intern – Sisinty Private Limited (Growth School)

Offer Date: 23 January 2026 | Start Date: 27 January 2026 | On-site, Bangalore

Selected for a Video Editing Internship focused on Professional editing, animation, color correction, and production processes workflows. Unable to join due to academic commitments.

PROJECTS

Short Film – Narrative Edits

Edited a short film with color grading, audio synchronization, and cinematic storytelling.

Motion Graphics Advertisement

Created a promotional advertisement using Adobe After Effects with motion graphics and animated typography.

YouTube & Instagram Reels

Edited short-form videos optimized for YouTube and Instagram with engaging pacing and platform-specific formats.

Editing Skool – Professional Training

Completed professional training in Creative editing, visual effects, color correction, and delivery workflows.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science *(Pursuing)*

I.K. Gujral Punjab Technical University, Jalandhar

Alongside my engineering studies, I developed a strong interest in video editing and motion graphics. I began learning independently through open-source resources and hands-on practice, then strengthened my skills through professional training at Editing Skool, where I gained practical knowledge of post-production workflows,Motion Animation and Cinematic Color Finishing, and industry-standard editing techniques.

CERTIFICATIONS & AWARDS
